Dear Hiring Manager,

I am writing to express my interest in the **Front-End Web Developer & UI/UX** position you have listed recently. I am a **React & Javascript** front-end developer from **Las Vegas, NV** with extensive professional work experience **remotely** and **with various development teams** on a wide range of projects. I have **3 years** of professional development experience in the field, and over **7 years** designing websites and graphics, as well as additional UI/UX related tasks.

After reading the position you have available I think I would make a great fit to your team and would love to speak more about my skills and abilities in depth. Thank you for your time.

Skills & Technologies
- Experience in a team setting communicating back and forth via Slack
- Experience working remotely and aggressively meeting deadlines
- Experience with various versioning tools such as Git and Mercurial

- **React/Redux + Webpack + Babel**
- Node + Express
- MongoDB
- SQL
- **Photoshop**, Illustrator, Lightroom, After Effects
- Vanilla CSS & **SASS**
 - jQuery
- Cinema4D + Octane
- **Always up to date on latest HTML/CSS/Javascript versions and features**
- Several libraries and other technologies, inquire for more information.

Thank you for your consideration,
Aaron Lilla
